RE: RESEARCH FELLOWSHIP PROGRAMME

The Department of Education, Office of the CECM in collaboration with the Quality and Sustainable Development (QASD) Foundation is launching a maiden research and documentation fellowship programme in Kenya. The office of the CECM invites applicants to the three – month written research fellowship programme to research historical materials about Mombasa-based philanthropist and businessman the late Hashmukh Patel (Mombasa Cement).

The fellowship is awarded for three months and the fellow will receive a total grant of 3,000 USD. A synopsis of 1000 to 3000 words on the project, detailing the thought processes behind the works with an outline of the selected topic or theme of research. One successful candidate will be selected after an expert panel reviews the synopsis and qualifications thoroughly.

The synopsis should be sent to admin@qasdevelopment.com and cecm.education@mombasa.go.ke from 6th December 2024 to 31st December 2024. Details including the terms and conditions are available at QASD official website (<https://qasdevelopment.com/>) and QASD Foundation's social media handles.

For details contact Mr. Miguel Miraj +254725508262.

Sincerely,

DR. MBWARALI KAME PhD
